-  **New School Creation Fellow**
High Tech High
Jul 2019 - Present · 1 year 7 months
Washington D.C. Metro Area
The GSE New School Creation Fellowship is designed for educators who are passionate and committed to designing and founding new schools focused on equity and deeper learning. High Tech High schools provide an innovative and disruptive context for fellows to re-imagine what is possible for K-12 education, and are intended to serve as sources for inspiration, not replication.
-  **Executive Director**
City Arts and Prep Public Charter School
May 2017 - Dec 2019 · 2 years 8 months
Washington D.C. Metro Area
WHO WE ARE
City Arts + Prep Public Charter School is the District's only college preparatory public charter school that integrates rigorous academic instruction with world-class performing arts programs to propel young people towards success in school and in life.

Building on a 13-year legacy as the William E. Doar, Jr. (WEDJ) Public Charter School for the Performing Arts, City Arts educates more than 450 students in PreK through eighth grade from across the city and combines...
