DC Charter School Alliance

@DC_Charters

Replying to [@rondtjr](#)

DC Charter School Action is a separate organization from [@DC_Charters](#) with its own fundraising. No public dollars or member dues are used to fund its work. DCCSA exists to support candidates who believe in education equity and support school choice for every District student.

How is such a distinction to be made when Shannon Hodge serves as executive director of the alliance and the political action committee?

Will you all release a list of local contributors to Charter School Action to back this up?
